

OFFICE OF THE DIRECTOR

8 October 1987

Office of Security

TO: Deputy Director for Administration  
Deputy Director of Central Intelligence

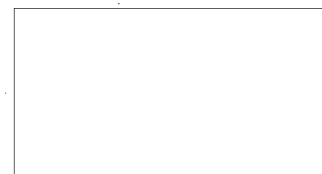

SUBJECT: Personal History Statement - William J. Casey

Bill/Bob:

A bit of nostalgia. It is a copy of Bill Casey's application to OSS. We have the original on file. Note his first job with Leo Cherne and, amusingly, Item #18. I would like to send a copy to Sophia. Any objection?
